To Whom it May Concern:

My name is Alfonso Jimenez-Pedro and I am the Crew Boss for a Type 2 Initial Attack wildfire suppression crew. I have been fighting fire for seven seasons now. I am writing this letter to speak on the character and work ethic of Spencer Barrett.

I have fought fires alongside Spencer Barrett since 2014. Spencer has been an asset for myself and the fire crew in times of need. He is always willing to help where a hand is needed and shows endurance both physically and mentally. Overall Spencer is team oriented. He contributes with positivity and approaches a situation with others in mind. On the fireline Spencer has shown me how much he wants to contribute to a better place for us all by putting himself at risk to help others and save their belongings. It is with this experience as his Crew Boss, I personally recommend Spencer Barrett and his work ethic.

Respectfully Yours,

Alfonso Jimenez-Pedro
